Put it under the tree as a surprise**

For the first time this year, we are delighted to introduce our very own “Elfridges” shop run by the PTA, where children will have the opportunity to secretly select and wrap a gift for their parents – so there is a surprise on Christmas day from your child to you!

Buy a ticket on Parent Pay to choose a present for someone special. During school hours the PTA elves will be on hand to help with present choosing and wrapping!

The cost of a ticket is £5 and you can buy as many tickets as you like, so for Mum AND Dad plus grandparents? Whoever you wish really!

Once the children have bought their ticket(s) via Parent Pay - paid for by parents – obviously! - on 7th December, they will be able to visit the “Elfridges” shop set up in the Hall to select from a lovely range of gifts. These gifts have been carefully chosen and are of excellent quality; definitely worth the money!

The PTA elves will then help the children wrap and label the gift ready to go under your tree; a special surprise from them to you!

We only ask that you purchase your ticket by 3rd December. All profits will go to the school PTA.
