

Monday 8th November 2021

Dear parents,

In January, our sporting clubs will continue on Tuesdays, Wednesdays and Thursdays (3:30 to 4:30) for all ages – booking and payment being made directly to Junior Sport Stars via their website: <https://juniorsportstars.co.uk/>

In addition, we will offer an amazing club for our Key Stage Two children, run by a company called 'More4Music'.

Their club – to be held on Mondays and Fridays from 3:30 to 4:30 will use iPads to develop skills such as: Animation / Filmmaking / Photography / Music.

At a cost of £5 per session (billed every half term), these clubs will be open to Years 5&6 on Mondays and to Year 3&4 on Fridays. Starting Monday the 10th January, the clubs will have 15 places that will be filled on a first come first served basis.

To book a slot please email the More4Music team on info@more4music.co.uk with the following information:

Your child's name
Your child's year group
Your child's teacher
Your name
Your email address
Your contact phone number

The company director of More4Music will then get in touch to confirm a place and to arrange payment.

I hope that this will be a popular addition to our extra-curricular offer here at New Islington.

Kind regards

Tabitha Smith
