

**Personal goals:** We have focussed on resilience this week; being able to cope when things don't go according to plan is an essential life skill.

**International Fair TONIGHT!** The PTA has worked incredibly hard to bring together a special day celebrating the diverse cultural backgrounds of our families. Activities run by parents are taking place throughout the day, and then come along to the hall from 3:30 to 5:00 for games and activities, food and fun! There will be a 'beat the goalie' opportunity outside on the field. Come along after school for a very special fair. Our thanks go to the very many parents and the PTA committee who volunteer their time in the planning, preparation and delivery of this event.

**Marina Access:** We have been informed that at some point in June and July, the whole marina area will be shut for maintenance works. This will impact on access to school. Please plan alternative routes during this period. We will keep you updated as and when we receive information.

**PTA Meeting: Friday 7<sup>th</sup> June at 4pm. Summer fair planning.**

**Water bottles:** Please can all children ensure that they have a water bottle in school every day. We notice that too many children come to school without one; water bottles can be filled up at convenient times throughout the day from the classroom taps. These bottles must only have water in; some children are bringing in juice or squash.

**Parent Forum:** Please come along at 2:30 on Tuesday 18<sup>th</sup> June where I would like to talk about my ideas to improve the range, days and times of clubs. Your views are important.

**Sponsorship:** We are delighted that 'Ezra and Gil' have offered to sponsor our boys' and girls' football team strips! We have entered both the boys' and girls' league for the Autumn term. Football trials will take place for children in Years 4&5 after Whit so we have strong teams. The boys will be trained by Remi Lee and the girls will be trained by Connor Hughes.
